CLASS SETTLEMENT AGREEMENT

This Class Settlement Agreement (the "Settlement Agreement" or the "Agreement"), is made and entered into as of this 6th day of January, 2025, by and between Plaintiff Julie Kimball ("Plaintiff"), individually and as representative of the Settlement Class defined below, and Volkswagen Group of America, Inc. ("VWGoA") ("Defendant") (all collectively referred to as the "Parties").

WHEREAS, on June 21, 2022, Plaintiff filed a putative class action entitled *Julie Kimball*, on behalf of herself and all others similarly situated v. Volkswagen Group of America, Inc., et al., 2:22-cv-04163-JMV-MAH, United States District Court, District of New Jersey, asserting various individual and putative class claims relating to the turbochargers of the putative class vehicles (hereinafter, "the Action");

WHEREAS, VWGoA filed Motions to Dismiss Plaintiffs' original and amended class action complaints (ECF 20, 33, and 60) which were fully briefed, and decided by Orders of this Court dated March 2, 2023 (ECF 28), August 28, 2023 (ECF 45), and September 3, 2024 (ECF 78);

WHEREAS, VWGoA denies Plaintiff's allegations and claims with respect to both liability and damages, and maintains, *inter alia*, that the putative class vehicles and their turbochargers function properly and are not defective, that no applicable warranties (express or implied) were breached, that no common law or legal duties or applicable statutes, laws, rules and/or regulations were violated, that the subject vehicles' components and systems were properly designed, tested, manufactured, distributed, marketed, advertised, warranted, and sold, and that the Action is not suitable for class treatment if it were to proceed through litigation and trial;

WHEREAS, the Parties, after investigation and careful analysis of their respective claims and defenses, and with full understanding of the potential risks, benefits, expense, and uncertainty of continued litigation, desire to compromise and settle all issues and claims that were asserted or could have been asserted in the Action by or on behalf of Plaintiff and members of the Settlement Class;

WHEREAS, the Parties agree that neither this Settlement Agreement and exhibits, the underlying Settlement itself, nor its negotiations, documents, or any filings relating thereto, shall constitute or be construed as, (i) any admission or evidence of liability, damages, or wrongdoing on the part of Defendant or any Released Party, and/or (ii) the existence or validity of any fact, allegation, claim, and/or issue of law that was or could have been asserted in the Action, all of which are expressly denied by Defendant.

WHEREAS, this Settlement Agreement is the result of vigorous and extensive arm's length negotiations of highly disputed claims, with adequate knowledge of the facts, issues, and the strengths or weaknesses of the Parties' respective positions, and with the assistance of an experienced neutral Mediator from JAMS; and

WHEREAS, the Settlement is fair, reasonable, and adequate; in all respects satisfies the requirements of Fed. R. Civ. P. 23; and is in the best interests of the Settlement Class.

II. SETTLEMENT CONSIDERATION

In consideration for the full and complete Release of all Released Claims against the Defendant and all Released Parties, and the dismissal of the Action with prejudice, Defendant VWGoA agrees to provide the following consideration to the Settlement Class:

A. Warranty Extension for Current Owners and Lessees of Generation 3 Settlement Class Vehicles

Effective on the Notice Date, for Generation 3 Settlement Class Vehicles, VWGoA will extend the New Vehicle Limited Warranties (NVLWs) to cover fifty percent (50%) of the cost of repair or replacement (parts and labor), by an authorized Audi dealer [if an Audi vehicle] or Volkswagen dealer [if a VW vehicle], of a failed or malfunctioning turbocharger of said vehicle if the cause of the failure or malfunction was that the wastegate failed due to fork head and/or link pin corrosion, during a period of up to 8.5 years or 85,000 miles (whichever occurs first) from said Settlement Class Vehicle's In-Service Date.

If, as of the Notice Date, a said Generation 3 Settlement Class Vehicle is more than 8.5 years of age from its In-Service Date, then this Warranty Extension's time duration for that vehicle will be extended until sixty (60) days after the Notice Date or 85,000 miles from vehicle's the In-Service Date, whichever occurs first, subject to the same conditions and limitations set forth above.

The Warranty Extension is subject to the same terms, conditions, and limitations set forth in the Settlement Class Vehicle's original NVLW and Warranty Information Booklet, and shall be fully transferable to subsequent owners to the extent that its time and mileage limitation periods have not expired.

The Warranty Extension shall not cover or apply to turbocharger/wastegate failures or malfunctions due to abuse, misuse, alteration or modification, lack of proper maintenance, a collision or crash, vandalism and/or other impact, or damage from an outside source.

B. Reimbursement of Certain Past Paid (and Unreimbursed) Out-Of-Pocket Repair Expenses (All Settlement Class Vehicles)

1. <u>Reimbursement</u>: Settlement Class Members who timely mail to the Settlement Claim Administrator a Claim for Reimbursement (fully completed, dated and signed Claim Form together with all Proof of Repair Expense and other required documentation) shall be eligible for

Case 2:22-cv-04163-MAH Document 100-3 Filed 02/28/25 Page 14 of 79 PageID: 1424

reimbursement of fifty percent (50%) of the past paid out-of-pocket expense for one (1) repair or replacement (parts and labor) of a failed or malfunctioned turbocharger of a Settlement Class Vehicle that was performed and paid for prior to the Notice Date and within 8.5 years or 85,000 miles (whichever occurred first) from said vehicle's In-Service date, if:

(i) for a Generation 1 Settlement Class Vehicle or Generation 2 Settlement Class Vehicle, the past paid turbocharger repair or replacement was due to the wastegate having no longer functioned properly because of wear at the link plate and pin, and

(ii) for a Generation 3 Settlement Class Vehicles, the past paid turbocharger repair or replacement was due to the wastegate having failed because of fork head and/or link pin corrosion.

However, if the Proof of Repair Expense documentation does not specifically state that the reason for the past paid turbocharger repair or replacement was due to II.B.(1)(i) above (for a Generation 1 Settlement Class Vehicle or Generation 2 Settlement Class Vehicle), or II.B.(1)(ii) above (for a Generation 3 Settlement Class Vehicle), then the reimbursement for the one (1) covered repair will be forty percent (40%) of the past paid invoice amount (parts and labor) provided that, in addition to the Proof of Repair Expense, the Settlement Class Member also submits, with his/her/its Claim for Reimbursement, the Proof of Adherence to Maintenance Requirements documentation.

If the past paid covered repair for which reimbursement under this Section is sought was not performed by an authorized Audi dealer (if an Audi vehicle) or Volkswagen dealer (if a VW vehicle), then the maximum paid invoice amount to which the applicable reimbursement percentage shall be applied shall not exceed \$3,850.

If the past paid covered repair for which reimbursement is sought under this Section was performed within the Settlement Class Vehicle's original NVLW time and mileage period, but not

Case 2:22-cv-04163-MAH Document 100-3 Filed 02/28/25 Page 15 of 79 PageID: 1425

by an authorized Audi or Volkswagen dealer, then the Settlement Class Member must also submit with his/her/its Claim, in addition to the Proof of Repair Expense and Proof of Adherence to Maintenance Requirements (if applicable), documentation such as a written estimate or invoice, or if documents are not available after a good-faith effort to obtain them, a Declaration signed under penalty of perjury, confirming that the Settlement Class Member first attempted to have the said repair performed by an authorized Audi or Volkswagen dealer, but the dealer declined or was unable to perform the repair free of charge pursuant to the NVLW.

Reimbursement under this Section is subject to the Limitations, Conditions and Claim requirements set forth in Sections II.B.2 and II.B.3 below.

2. Limitations and Other Conditions:

a. Any reimbursement under Section II.B.1. shall be reduced by goodwill or other amount or concession paid by an authorized Audi or Volkswagen dealer, any other entity (including insurers and providers of extended warranties or service contracts), or by any other source. If the Settlement Class Member received a free repair covered under this Agreement, or was otherwise already reimbursed the full amount for the covered repair, then he/she/it will not be entitled to any reimbursement.

b. Defendant shall not be responsible for, and shall not warrant, any repair/replacement work that was not performed by an authorized Audi or Volkswagen dealer.

c. Reimbursement under Section II.B.1. shall not apply to turbocharger/wastegate failures that were caused by abuse, misuse, alteration or modification, lack of proper maintenance, a collision or crash, vandalism and/or other impact or outside source.

3. Requirements for a Valid and Timely Claim for Reimbursement:

a. In order to submit a valid and timely Claim for Reimbursement pursuant to SectionII.B. of this Agreement, the Settlement Class Member must mail by first-class U.S. mail to the

Case 2:22-cv-04163-MAH Document 100-3 Filed 02/28/25 Page 16 of 79 PageID: 1426

Settlement Claim Administrator, postmarked no later than 75-days after the Notice Date, or submit to the Settlement Claim Administrator online through the Settlement Website no later than 75days after the Notice Date, a fully completed, signed and dated Claim Form, together with the required Proof of Repair Expense, Proof of Adherence to Maintenance Requirements (if applicable), and any other documentary proof required under this Agreement.

b. If the claimant is not a person to whom the Claim Form was addressed, and/or the vehicle with respect to which a Claim is made is not the vehicle identified by VIN number on the mailed Class Notice, the Claim must contain proof that the claimant is a Settlement Class Member and that the vehicle that is the subject of the Claim is a Settlement Class Vehicle.

c. The completed Claim Form and supporting documentation must demonstrate the Settlement Class Member's right to reimbursement, for the amount requested, under the terms and conditions of this Settlement Agreement.

III. CLAIMS ADMINISTRATION

A. Costs of Administration and Notice

As between the Parties, VWGoA shall be responsible for the Claim Administrator's reasonable costs of class notice and settlement administration. The Parties retain the right to audit and review the Claims handling by the Claim Administrator, and the Claim Administrator shall report to both parties jointly.

B. Claim Administration

1. Only timely Claims that are complete and which satisfy the Settlement criteria for reimbursement can be approved for payment. For each approved reimbursement claim, the Claim Administrator, on behalf of VWGoA, shall mail to the Settlement Class Member, at the address listed on the Claim Form, a reimbursement check to be sent within one hundred fifty (150)

Case 2:22-cv-04163-MAH Document 100-3 Filed 02/28/25 Page 17 of 79 PageID: 1427

days of the date of receipt of the completed Claim, or within one hundred fifty (150) days of the Effective Date, whichever is later. The reimbursement checks shall remain valid for 180 days. The Settlement Class Member may make one (1) request for reissuance of an expired un-negotiated check from the Claims Administrator within 225 days of its original issuance.

2. The Claim Administrator's denial of any Claim in whole or in part shall be binding and non-appealable, except that Class Counsel and Defendant's counsel will, if needed, confer and attempt to resolve in good faith any disputed denial by the Claim Administrator.

3. If the Claims Administrator initially determines that the Claim Form is incomplete, deficient or otherwise not fully completed, signed and/or dated, and/or that supporting documentation is missing, deficient, or otherwise incomplete, then the Claim Administrator will send the Settlement Class Member a letter or notice by regular mail advising of the deficiency(ies) in the Claim Form and/or the documentation. The Settlement Class Member will then have until thirty (30) days after the date of said letter or notice to mail a response to the Claim Administrator that cures all said deficiencies and supplies all missing or deficient information and documentation, or the claim will be denied.

4. If a Claim is denied in whole or in part, either for not meeting the Settlement criteria for reimbursement, or for failure to timely cure any deficiencies or missing or incomplete information/documentation, the Claim Administrator will so notify the Settlement Class Member by sending a letter or notice of the denial by regular mail. Any Settlement Class Member whose claim is denied shall have fourteen (14) days from the date of the Claim Administrator's letter/notice of denial to request an "attorney review" of the denial, after which time Class Counsel and Defense Counsel shall meet and confer and determine whether said denial, based upon the Claim Form and documentation previously submitted, was correct under the terms of the

Settlement, whether the denial should be modified if it is not correct, and/or whether any disputed issues can amicably be resolved. The Claim Administrator will thereafter advise the Settlement Class Member of the attorney review determination, which shall be binding and not appealable.

IV. NOTICE

A. To Attorneys General: In compliance with the Attorney General notification provision of the Class Action Fairness Act, 28 U.S.C. § 1715, the Claim Administrator shall provide notice of this proposed Settlement to the Attorney General of the United States, and the Attorneys General of each state in which a known Settlement Class Member resides. The Claim Administrator shall also provide contemporaneous notice to the Parties.

B. To Settlement Class: The Claim Administrator shall be responsible for the following Settlement Class Notice Plan ("Notice Plan"):

1. The postcard Class Notice will also direct Settlement Class Members to the Settlement Website where they can obtain further information about the Settlement, their applicable rights and deadlines, and to review and download the long form Class Notice, substantially in the form attached hereto as Exhibit 3, and other documentation about the Settlement. Defendant VWGoA may format the Class Notice in such a way as to minimize the cost of the mailing, so long as Settlement Class Members can reasonably read it and Class Counsel approves all changes and formatting. The Claim Administrator shall be responsible for mailing of the Class Notice.

Case 2:22-cv-04163-MAH Document 100-3 Filed 02/28/25 Page 19 of 79 PageID: 1429

3. Prior to mailing the postcard Class Notice, the Claim Administrator shall conduct an address search through the United States Postal Service's National Change of Address database to update the address information for Settlement Class Vehicle owners and lessees. For each individual postcard Class Notice that is returned as undeliverable, the Claim Administrator shall re-mail all such postcard Class Notices where a forwarding address has been provided. For the remaining undeliverable notice packets where no forwarding address is provided, the Claim Administrator shall perform an advanced address search (e.g., a skip trace) and re-mail any undeliverable to the extent any new and current addresses are located.

4. The Claim Administrator shall diligently, and/or as reasonably requested by Class Counsel or Defense counsel, report to Class Counsel and Defense counsel the number of individual postcard Class Notices originally mailed to Settlement Class Members, the number of such individual Class Notices initially returned as undeliverable, the number of additional individual postcard Class Notices re-mailed after receipt of a forwarding address, and the number of those additional individual Class Notices returned as undeliverable.

5. The Claim Administrator shall, upon request, provide Class Counsel and Defense counsel with the names and addresses of all Settlement Class Members to whom the Claim Administrator mailed a postcard Class Notice pursuant to this section.

6. The Claim Administrator shall implement a Settlement website that contains the following information:

(i) instructions on how to submit a Claim for Reimbursement by mail or online via the Settlement Website;

(ii) instructions on how to contact the Claim Administrator, Class Counsel and Defense Counsel for assistance;

(iii) a copy of the Claim Form, Class Notice and this Settlement Agreement, the Preliminary Approval Order, the motion for Final Approval, the Class Counsel Fee and Expense Application, and other pertinent orders and documents to be agreed upon by counsel for the Parties; and

(iv) the deadlines for any objections, requests for exclusion and mailing of claims, the date, time and location of the final fairness hearing, and any other relevant information agreed upon by counsel for the Parties.

7. No later than ten (10) days after the Notice Date, the Claim Administrator

shall provide an affidavit to Class Counsel and Defense counsel, attesting that the Class Notice was disseminated in a manner consistent with the terms of the Class Notice Plan of this Agreement or those required by the Court and agreed by counsel.

8. Notification to Authorized Audi and Volkswagen dealers: Prior to the Notice Date, VWGoA will advise authorized Audi and Volkswagen dealers of the Settlement's Warranty Extension, so that the Warranty Extension may be implemented in accordance with the terms and conditions of this Settlement Agreement. VWGoA shall provide Class Counsel with written confirmation that the notification has been made to authorized Audi and Volkswagen dealers.

VI. WITHDRAWAL FROM SETTLEMENT

Plaintiff or Defendant shall have the option to withdraw from this Settlement Agreement, and to render it null and void, if any of the following occurs:

1. Any objection to the proposed Settlement is sustained and such objection results in changes to this Agreement that the withdrawing party deems in good faith to be material (e.g., because it increases the costs of the Settlement, alters the Settlement, or deprives the withdrawing party of a material benefit of the Settlement; a mere delay of the approval and/or implementation of the Settlement including a delay due to an appeal procedure, if any, shall not be deemed material); or

2. The preliminary or final approval of this Settlement Agreement is not obtained without modification, and any modification required by the Court for approval is not agreed to by both parties, and the withdrawing party deems any required modification in good faith to be material (e.g., because it increases the cost of the Settlement, alters the Settlement, or deprives the withdrawing party of a benefit of the Settlement; a mere delay of the approval and/or implementation of the Settlement including a delay due to an appeal procedure, if any, shall not be deemed material); or

3. Entry of the Final Order and Judgment described in this Agreement is vacated by the Court or reversed or substantially modified by an appellate court, except that a reversal or modification of an order awarding reasonable attorneys' fees and expenses, if any, shall not be a basis for withdrawal; or

4. In addition to the above grounds, the Defendant shall have the option to withdraw from this Settlement Agreement, and to render it null and void, if more than five-percent (5%) of the persons and entities identified as being members of the Settlement Class exclude themselves from the Settlement Class.

Case 2:22-cv-04163-MAH Document 100-3 Filed 02/28/25 Page 26 of 79 PageID: 1436

5. To withdraw from this Settlement Agreement under this paragraph, the withdrawing Party must provide written notice to the other Party's counsel and to the Court within ten (10) business days of receipt of any order or notice of the Court modifying, adding or altering any of the material terms or conditions of this Agreement. In the event either Party withdraws from the Settlement, this Settlement Agreement shall be null and void, shall have no further force and effect with respect to any party in the Action, and shall not be offered in evidence or used in the Action or any other litigation or proceeding for any purpose, including the existence, certification or maintenance of any purported class. In the event of such withdrawal, this Settlement Agreement and all negotiations, proceedings, documents prepared and statements made in connection herewith shall be inadmissible as evidence and without prejudice to the Defendant and Plaintiff, and shall not be deemed or construed to be an admission or confession by any party of any fact, claim, matter or proposition of law, and shall not be used in any manner for any purpose, and all parties to the Action shall stand in the same position as if this Settlement Agreement had not been negotiated, made or filed with the Court. Upon withdrawal, either party may elect to move the Court to vacate any and all orders entered pursuant to the provisions of this Settlement Agreement.

6. A change in law, or change of interpretation of present law, that affects this Settlement shall not be grounds for withdrawal from the Settlement.

VII. ADMINISTRATIVE OBLIGATIONS

A. In connection with the administration of the Settlement, the Claim Administrator shall maintain a record of all contacts from Settlement Class Members regarding the Settlement, any Claims submitted pursuant to the Settlement and any responses thereto. The Claim Administrator, on a monthly basis, shall provide to Class Counsel and Defense Counsel summary information concerning the number of Claims made, number of Claims approved, the number of

Claims denied, the number of Claims determined to be deficient, and total dollar amount of payouts on Claims made, such that Class Counsel and Defense Counsel may inspect and monitor the claims process.

B. Except as otherwise stated in this Agreement, as between the Parties, the reasonable costs of the Claim Administrator in dissemination of the Class Notice and administration of the Settlement pursuant to the terms of this Agreement shall be borne by VWGoA.

VIII. SETTLEMENT APPROVAL PROCESS

A. Preliminary Approval of Settlement

Promptly after the execution of this Settlement Agreement, Class Counsel shall present this Settlement Agreement to the Court, along with a motion requesting that the Court issue a Preliminary Approval Order substantially in the form attached as Exhibit 5.

B. Final Approval of Settlement

1. If this Settlement Agreement is preliminarily approved by the Court, and pursuant to a schedule set forth in the Preliminary Approval Order or otherwise agreed by the Parties, Class Counsel shall present a motion requesting that the Court grant final approval of the Settlement and issue a Final Order and Judgment directing the entry of judgment pursuant to Fed. R. Civ. P. 54(b) substantially in a form to be agreed by the Parties.

2. The Parties agree to fully cooperate with each other to accomplish the terms of this Settlement Agreement, including but not limited to, execution of such documents and to take such other action as may reasonably be necessary to implement the terms of this Settlement Agreement. The Parties shall use their best efforts, including all efforts contemplated by this Settlement Agreement and any other efforts that may become necessary by order of the Court, or otherwise, to effectuate this Settlement Agreement and the terms set forth herein. Such best efforts shall

include taking all reasonable steps to secure entry of a Final Order and Judgment, as well as supporting the Settlement and the terms of this Settlement Agreement through any appeal.

C. Plaintiff's Application for Reasonable Class Counsel Fees and Expenses and Class Representative Service Award

1. If the Court grants Preliminary Approval of the Settlement, Class Counsel has stated their intent to make an application for reasonable Class Counsel Fees and Expenses and for a reasonable service award for Settlement Class Representative Plaintiff Julie Kimball (hereinafter, "Fee and Expense Application"), to which Defendant may respond as appropriate. The scheduling of such Fee and Expense Application and any response by Defendant shall be agreed by the Parties and subject to the Court's approval. Prior to Class Counsel's filing of a Fee and Expense Application, the Parties shall discuss the matters in good faith to ascertain if any agreements can be reached with respect thereto, and submit to the Court an agreed schedule for (i) the timing and briefing of the Fee and Expense Application and Defendant's response, and (ii) if the Parties are unable to reach agreement on Class Counsel Fees and Expenses and/or the Settlement Class Representative Service Award, the fact and expert discovery on the issues relevant to the Fee and Expense. If the Parties cannot agree, then such scheduling and/or discovery matters shall be submitted to the Court for resolution.

2. The Court's determination of the Fee and Expense Application shall be subject to rights of appeal by any of the Parties.

3. The procedure for, and the grant, denial, allowance or disallowance by the Court of, the Fee and Expense Application are not part of the Settlement, and are to be considered by the Court separately from the Court's consideration of the fairness, reasonableness and adequacy of the Settlement. Any order or proceedings relating solely to the Fee and Expense Application, or

Case 2:22-cv-04163-MAH Document 100-3 Filed 02/28/25 Page 29 of 79 PageID: 1439

any appeal from any order related thereto or reversal or modification thereof, will not operate to terminate or cancel this Settlement Agreement, or affect or delay the Effective Date of the Settlement if it is granted final approval by the Court. Payment of Class Counsel Fees and Expenses and the Settlement Class Representative Service Award will not reduce the benefits to which Settlement Class Members may be eligible under the Settlement terms, and the Settlement Class Members will not be required to pay any portion of the Class Counsel Fees and Expenses and Settlement Class Representative Service Award.

D. Release of Plaintiff's and Settlement Class Members' Claims

1. Upon the Effective Date, the Plaintiff and each and every Settlement Class Member shall be deemed to have, and by operation of the Final Order and Judgment shall have, fully, completely and forever released, acquitted, and discharged the Defendant and all Released Parties from all Released Claims.

2. Upon the Effective Date, with respect to the Released Claims, the Plaintiff and all Settlement Class Members expressly waive and relinquish, to the fullest extent permitted by law, the provisions, rights, and benefits of § 1542 of the California Civil Code, which provides: "A general release does not extend to claims which the creditor does not know or suspect to exist in his favor at the time of executing the release, which if known by him must have materially affected his settlement with the debtor."

3. Upon the Effective Date, the Action will be deemed dismissed with prejudice.

- This proposed class action, pending in the United States District Court for the District of New Jersey, is • captioned Kimball v. Volkswagen Group of America, Inc., Civil Action No. 2:22-cv-04163-JKS-MAH (the "Action"). The parties have agreed to a class settlement of the Action, which the Court has preliminarily approved, and will ask the Court to grant final approval of the proposed Settlement. As a Settlement Class Member, you have various options that you may exercise before the Court decides whether to grant final approval of the Settlement.

- Your legal rights are affected whether you act or do not act. Read this Notice carefully. •
- The Court in charge of this case still has to decide whether to grant final approval of the Settlement. • Payments will be made only if the Court grants final approval of the Settlement and after appeals, if any, are resolved.

BASIC INFORMATION

1. What is involved in the Lawsuit and what are the settlement benefits?

If you are a current or past owner or lessee of a "Settlement Class Vehicle," you may be entitled to benefits under the proposed Settlement. The Settlement Class Vehicles are certain model/model year Audi vehicles, identified by specific Vehicle Identification Number ("VIN"), that were distributed by Volkswagen Group of America, Inc. ("VWGoA") in the United States or Puerto Rico and equipped with a Generation 1, Generation 2 or Generation 3 EA888 engine as delineated below:

- Certain model year 2019-2024 Audi Q3*
- Certain model year 2016-2023 Audi TT*

*Not every such model and model year vehicle is covered by this Settlement (i.e., a Settlement Class Vehicle). The Settlement Class Vehicles are determined by specific Vehicle Identification Numbers (VINs). You can look up whether your vehicle is a Settlement Class Vehicle by typing your vehicle's VIN, where indicated, in the VIN Lookup Portal on the Settlement website at www.com, or you can call the Settlement Claim Administrator toll-free at 1-XXX-XXXX to find out.

A "Settlement Class Member" is defined as a current or past owner or lessee of a Settlement Class Vehicle.

The Action claims that the turbochargers in certain Audi vehicles were defective and potentially prone to premature failure. VWGoA denies the claims and maintains that the turbochargers in the Settlement Class Vehicles are not defective, function properly, were properly designed, manufactured, marketed and sold, and that no applicable warranties were breached nor any applicable statutes violated. The Court has not decided in favor of either party. Instead, the Action has been resolved through a Settlement, which the Court preliminarily approved, under which eligible Settlement Class Members who qualify may obtain the following benefits:

I. Warranty Extension for Current Owners or Lessees of Generation 3 Settlement Class Vehicles

Effective on _____[the Notice Date], VWGoA will extend the New Vehicle Limited Warranties (NVLWs) of Generation 3 Settlement Class Vehicles until 8.5 years or 85,000 miles (whichever occurs first) from said vehicle's In-Service Date, to cover fifty percent (50%) of the cost of repair or replacement (parts and labor), by an authorized Audi dealer, of a failed or malfunctioning turbocharger of said vehicle if the cause was that the wastegate failed due to fork head and/or link pin corrosion. However, if, as of _____ [Notice Date], a said Generation 3 Settlement Class Vehicle is more than 8.5 years of age from its In-Service Date, then this Warranty Extension's duration for that vehicle will be until _____ [60-days after Notice Date] or 85,000 miles from vehicle's the In-Service Date, whichever occurs first.

The Warranty Extension is subject to the same terms, conditions, and limitations set forth in the Settlement Class Vehicle's original NVLW and Warranty Information Booklet, and shall be fully transferable to subsequent owners to the extent that its time and mileage limitation periods have not expired.

The Warranty Extension shall not cover or apply to turbocharger/wastegate failures or malfunctions due to abuse, misuse, alteration or modification, lack of proper maintenance, a collision or crash, vandalism and/or other impact, or damage from an outside source.

II. Reimbursement for a Certain Past Paid (and Unreimbursed) Out-of-Pocket Repair Expenses (All Settlement Class Vehicles)

If, prior to _____ [Notice Date] and within 8.5 years or 85,000 miles (whichever occurred first) from the Settlement Class Vehicle's In-Service Date, you incurred and paid for a repair or replacement of a failed or malfunctioned turbocharger in that vehicle, you may submit, to the Settlement Claim Administrator, a Claim for Reimbursement (a fully completed, dated and signed Claim Form together with all Proof of Repair Expense and other required documentation) for fifty percent (50%) of the paid invoice expense of one (1) such turbocharger repair or replacement (parts and labor), if:

- (i) for a Generation 1 or Generation 2 Settlement Class Vehicle, the past paid turbocharger repair or replacement was due to the wastegate having no longer functioned properly because of wear at the link plate and pin, and
- (ii) for a Generation 3 Settlement Class Vehicle, the past paid turbocharger repair or replacement was due to the wastegate having failed because of fork head and/or link pin corrosion.

However, if the Proof of Repair Expense documentation does not specifically state that the reason for the past paid turbocharger repair or replacement was due to II.B.(i) or (ii) above, as applicable to that vehicle, then the

Questions? Call 1-XXX-XXX-XXXX or visit <u>www.XXXXXXXXXX.com</u>

reimbursement for the one (1) said covered repair will be forty percent (40%) of the past paid invoice amount (parts and labor) and in addition to the Proof of Repair Expense documentation, the Settlement Class Member must also submit, with his/her/its Claim for Reimbursement, the Proof of Adherence to Maintenance Requirements documentation (explained below).

If the past paid covered repair was not performed by an authorized Audi dealer, then the maximum paid invoice amount to which the applicable reimbursement percentage shall be applied shall not exceed a maximum of \$3,850. In addition, if that past paid covered repair was performed within the Settlement Class Vehicle's original NVLW time and mileage period, then the Settlement Class Member must also submit with his/her/its Claim, in addition to the other applicable proof requirements, documentation such as a written estimate or invoice, or if documents are not available after a good-faith effort to obtain them, a Declaration signed under penalty of perjury, confirming that he/she/it first attempted to have that repair performed by an authorized Audi dealer, but the dealer declined or was unable to perform the repair free of charge pursuant to the NVLW.

The above relief is subject to certain limitations and proof requirements, which are set forth below and in the Settlement Agreement, which can be found on the Settlement website at <u>www.____.com</u>.

III. <u>Required Proof for a Claim for Reimbursement:</u>

To qualify for a Claim for Reimbursement of past paid and unreimbursed out-of-pocket expenses provided under Section II above, you must comply with the following requirements:

A. In order to submit a valid Claim for Reimbursement under this Settlement, you must submit online no later than ______, or mail to the Settlement Claim Administrator by first-class mail post-marked no later than ______, a fully completed, signed and dated Claim Form, a copy of which is available at <u>www.</u>____, together with all required supporting documentation listed below.

1. An original or legible copy of a repair invoice(s) documenting the repair covered under the Settlement and containing your name; the make, model and vehicle identification number ("VIN") of the Settlement Class Vehicle; the name and address of the authorized Audi dealer or non-dealer service center that performed the repair; the date of repair and Settlement Class Vehicle's mileage at the time of repair; a description of the repair work performed including the parts repaired/replaced and a breakdown of parts and labor costs of the covered repair demonstrating that the repair is, in fact, a covered repair under the Settlement; and the amount charged for the covered repair and proof of payment. If the covered repair was not performed by an authorized Audi dealer, and the only proof of payment you have is a repair invoice marked "Paid," then you also must also submit a declaration from the repair facility, signed under the penalty of perjury, confirming that the payment was in fact made. Please note that if you opt to send original documents with your Claim, please make and retain copies for yourself.

2. A declaration, signed under penalty of perjury, confirming that you did not alter or modify, or have another person alter or modify, the vehicle's engine prior to the covered repair;

3. If your covered repair occurred within your Settlement Class Vehicle's New Vehicle Limited Warranty period but was not performed by an authorized Audi dealer, you must also submit records showing that you first attempted to have the repair completed at an authorized Audi dealer but the dealer refused or was unable to complete the repair free of charge under warranty. If such records cannot be obtained despite a good faith effort, then you may submit a declaration to that effect, signed under the penalty of perjury, and stating the good faith efforts you made to obtain the records.

4. If your supporting repair documents do not state a specific cause of the turbocharger failure or malfunction, then you must also provide documents or records evidencing your adherence to the oil maintenance aspects of the Settlement Class Vehicle's maintenance schedule set forth in the Warranty and Maintenance Booklet, during the period of time that you owned and/or leased the vehicle up to the date/mileage of the covered repair or replacement. Your adherence to these oil maintenance interval. If you are unable to obtain said documents or records despite a good faith effort to obtain them, you may submit a Declaration, signed under penalty of perjury, detailing the good faith efforts that you made and why the records are unavailable, and attesting to your adherence to the above oil maintenance requirements within the ten percent (10%) variance. A form Declaration is available for you on the Settlement Website at

B. If you are not a person to whom the Class Notice was addressed, the Claim shall contain proof that you are a Settlement Class Member and that the vehicle is a Settlement Class Vehicle;

C. For your convenience, forms for any declarations required above are available to you at www.______ or you can request them from the Settlement Claim Administrator.

IV. Limitations:

A. Any reimbursement under the Settlement shall be reduced by goodwill or other amount or concession paid by an authorized Audi dealer, any other entity (including insurers and providers of extended warranties or service contracts), or by any other source,. If the Settlement Class Member received a free repair covered under this Agreement, or was otherwise already reimbursed the full amount for the covered repair, then he/she/it will not be entitled to any reimbursement.

B. VWGoA will not be responsible for, and shall not warrant, repair or replacement work performed at any service center or facility that is not an authorized Audi dealer.

C. Reimbursement shall not apply to turbocharger/wastegate failures that were caused by abuse, misuse, alteration or modification, lack of proper maintenance, a collision or crash, vandalism and/or other impact or outside source.

2. Why is this a class action settlement?

In a class action lawsuit, one or more persons, called Plaintiffs and Class Representatives, sue on behalf of other people who have similar claims. All of these people are Class Members or Settlement Class Members. The companies they sued are called the Defendants. One court resolves the issues for all Settlement Class Members, except for those who exclude themselves from the Class.

The Court has not decided in favor of the Plaintiffs or Defendant. Instead, both sides agreed to a Settlement, which the Court preliminarily approved, with no decision or admission of who is right or wrong. That way, all parties avoid the risks and cost of a trial, and the people affected (the Settlement Class Members) will receive benefits quickly. The Class Representatives and the attorneys believe the Settlement is best for the Settlement Class.

WHO IS PART OF THE SETTLEMENT?

3. Am I in this Settlement Class?

The Court has conditionally approved the following definition of a Settlement Class Member: All persons or entities who purchased or leased a Settlement Class Vehicle in the United States of America and Puerto Rico. (The Settlement Class Vehicles are discussed in Section 1 above).

Excluded from the Settlement Class are (a) all Judges who have presided over the Action and their spouses; (b) all current employees, officers, directors, agents and representatives of Defendant, and their family members; (c) any affiliate, parent or subsidiary of Defendant and any entity in which Defendant has a controlling interest; (d) anyone acting as a used car dealer; (e) anyone who purchased a Settlement Class Vehicle for the purpose of commercial resale; (f) anyone who purchased a Settlement Class Vehicle as a result of a total loss; (g) any insurer of a Settlement Class Vehicle; (h) issuers of extended vehicle warranties and service contracts; (i) any Settlement Class Member who, prior to the date of this Agreement, settled with and released Defendant or any Released Parties from any Released Claims, and (j) any Settlement Class Member who files a timely and proper Request for Exclusion from the Settlement Class (see Section 10 below).

The specific claims and parties you will be releasing are set forth in sections I.T and I.U of the Settlement Agreement, a copy of which is available for review on the settlement website, www._____.com.

Questions? Call 1-XXX-XXX-XXXX or visit <u>www.XXXXXXXXXX.com</u>

EXCLUDING YOURSELF FROM THE SETTLEMENT

10. How do I Exclude Myself from this Settlement?

You do not have to do anything to remain in this Settlement. However, you have a right, if you so desire, to exclude yourself from the Settlement. To exclude yourself from the Settlement, you must send a letter by first-class U.S. mail post-marked no later than ______, stating clearly that you want to be excluded from this Settlement ("Request for Exclusion"). You must include in the Request for Exclusion your full name, address, telephone number, the model, model year and VIN of the Settlement Class Vehicle; a statement that you are a present or former owner or lessee of a Settlement Class Vehicle; and specifically and unambiguously state your desire to be excluded from the Settlement Class. You must mail your exclusion request, post-marked no later than ______, to each of the following:

SETTLEMENT CLAIM ADMINISTRATOR	CLASS COUNSEL	DEFENSE COUNSEL
JND Legal Administration	GARY GRAIFMAN, , ESQ. KANTROWITZ, GOLDHAMER & GRAIFMAN PC 135 CHESTNUT RIDGE ROAD, SUITE 200 MONTVALE, NJ 07645	MICHAEL B. GALLUB, ESQ. SHOOK, HARDY & BACON LLP 1 ROCKEFELLER PLAZA SUITE 2801 NEW YORK, NY 10020

You cannot exclude yourself on the phone or by email. If you have timely mailed a Request for Exclusion that contains all of the required information, and the Court grants your request for exclusion upon final approval of the Settlement, then you will be excluded from the Settlement Class. You will not receive any benefits of the Settlement, you cannot object to the Settlement, and you will not be legally bound by anything that happens in this Lawsuit.

11. If I don't exclude myself, can I sue later?

No, not for the same matters and legal claims that were or could have been asserted in the Action or any of the Released Claims in the Settlement Agreement, unless your claim is for personal injury or property damage (other than damage to the Settlement Class Vehicle itself).

12. If I exclude myself, can I get the benefits of this Settlement?

No, if you exclude yourself from the Settlement Class, you will not receive any money or benefits from this Settlement, and you should not submit a Claim Form. You cannot do both.

13. Do I have a lawyer in this case?

The Court has appointed the law firms of Kantrowitz, Goldhamer & Graifman PC, and Thomas P. Sobran PC as "Class Counsel" to represent the Settlement Class Members.

14. Should I get my own lawyer?

You do not need to hire your own lawyer to participate in the Settlement because Class Counsel will be representing you and the Settlement Class. But, if you want your own lawyer, you may hire one at your own cost.

15. How will the lawyers be paid, and will the Plaintiff Settlement Class Representative receive a service award?

Class Counsel have prosecuted this case on a contingency basis. They have not received any fees or reimbursement for costs and expenses associated with this case. Class Counsel will file an application with the Court requesting an award of reasonable attorney fees and reasonable costs and expenses ("Fees and Expenses") in a combined total sum not \$ for Class Counsel. VWGoA has agreed not to oppose Class Counsel's application for Fees and Expenses to

the extent not exceeding that combined total sum, and Class Counsel have agreed not to accept any Fees and Expenses in excess of that combined total sum.

Class Counsel will also apply to the Court for a service award in the amount of \$_____ for Plaintiff-Settlement Class Representative Julie Kimball for her efforts in pursuing this litigation for the benefit of the Settlement Class.

Any award for Class Counsel Fees and Expenses, and any service award to Settlement Class Representative, will be paid separately by Defendant and will not reduce any benefits that may be available to you or the rest of the Settlement Class under the Settlement. You won't have to pay these Fees and Expenses.

Class Counsel's motion for fees and expenses and the Settlement Class Representative service award will be filed by ______, and a copy will be made available for review at www.______.com.

SUPPORTING OR OBJECTING TO THE SETTLEMENT

16. How do I tell the Court that I like or dislike the Settlement?

If you are a member of the Settlement Class and do not request to be excluded, you can tell the Court you like the Settlement and it should be approved, or you can ask the Court to deny approval by filing a written objection. You can object to the Settlement and/or to Class Counsel's requests for Fees and Expenses and Settlement Class Representative service award. You cannot ask the Court to order a different settlement; the Court can only approve or reject the proposed Settlement. If the Court denies approval of the Settlement, no settlement payments will be sent out and the Lawsuit will continue. If that is what you want to happen, you must object on a timely basis. You are not required to submit anything to the Court unless you are objecting or wish to be excluded from the Settlement.

To object to or comment on the Settlement, you must do either of the following:

- i. File your written objection or comment, and any supporting papers or materials, on the Court's docket for this case, *Kimball v. Subject to the approval of the Court, any Settlement Class Member may appear, in person or by counsel, at the Final Fairness Hearing. In order to appear, the Settlement Class Member must, by the objection deadline of ______, file with the Clerk of the Court and serve upon all counsel designated in the Class Notice (see above), a Notice of Intention to Appear at the Fairness Hearing. Any Settlement Class Member who does not submit a written objection to the proposed Settlement, or Class Counsel's application for Fees and Expenses and/or the Class Representative service award, within the above deadline and in full compliance with the above requirements and procedure for a valid objection shall waive his/her/its right to do so, and to appeal from any order or judgment of the Court concerning the Settlement, Fees and Expenses and/or service award.

Any Settlement Class Member who does not provide a Notice of Intention to Appear in accordance with the deadline and other requirements set forth in this Class Notice shall be deemed to have waived any right to appear, in person or by counsel, at the Final Fairness Hearing.

17. What is the difference between objecting and excluding myself?

Objecting is simply telling the Court that you do not like something about the Settlement. You can object only if you stay in the Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class and the Settlement. If you exclude yourself, you have no basis to object because the case no longer affects you.

FINAL FAIRNESS HEARING

18. When and where will the Court decide whether to approve the Settlement?

The Court will hold a Final Fairness Hearing at **on** _____ **at** _____ **a.m.**, before the Honorable Jamel K. Semper, Courtroom _____, United States District Judge, United States District Court for the District of New Jersey, Martin Luther King Building & U.S. Courthouse, 50 Walnut Street, Newark, NJ 07102, to determine whether the Settlement should be granted final approval. At the Final Fairness Hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate and thus, should receive final approval. The Court will also consider Class Counsel's application for Fees and Expenses and the Settlement Class Representative service award. The date and/or time of the Final Fairness Hearing may change without further notice to the Settlement Class. You should check the Settlement Website or the Court's PACER site to confirm that the date and/or time has not changed, or if it has, learn to the new date and time.

19. Do I have to come to the Final Fairness Hearing?

No. Class Counsel will answer any questions the Court may have. But you are welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. You may also pay your own lawyer to attend. However, if your objection is timely and compliant with the requirements, the Court will consider it whether or not you or your lawyer attend.

20. May I speak at the Fairness Hearing?

If you do not exclude yourself, you may ask the Court's permission to speak in favor of the proposed Settlement at the Final Fairness Hearing, and any Settlement Class Member who has properly filed a timely objection may ask the Court's permission to appear and speak regarding that objection. To do so, you must file with the Clerk of the Court, and serve upon all counsel identified in Section 16 above, a Notice of Intention to Appear at the Fairness Hearing, saying that it is your intention to appear at the Fairness Hearing in *Kimball v. Volkswagen Group of America, Inc., et al.,* United States District Court for the District of New Jersey, Civil Action No. 2:22-cv-04163-JKS-MAH. - This proposed class action, pending in the United States District Court for the District of New Jersey, is captioned *Kimball v. Volkswagen Group of America, Inc.*, Civil Action No. 2:22-cv-04163-JKS-MAH (the "Action"). The parties have agreed to a class settlement of the Action, which the Court has preliminarily approved, and will ask the Court to grant final approval of the proposed Settlement. As a Settlement Class Member, you have various options that you may exercise before the Court decides whether to grant final approval of the Settlement.
- This Notice explains the Action, the proposed Settlement, your legal rights and options, available benefits, who is eligible for and how to obtain the benefits, and applicable dates, time deadlines and procedures.

BASIC INFORMATION

1. What is involved in the Lawsuit and what are the settlement benefits?

If you are a current or past owner or lessee of a "Settlement Class Vehicle," you may be entitled to benefits under the proposed Settlement. The Settlement Class Vehicles are certain model/model year Volkswagen vehicles, identified by specific Vehicle Identification Number ("VIN"), that were distributed by Volkswagen Group of America, Inc. ("VWGoA") in the United States or Puerto Rico and equipped with a Generation 1 or Generation 3 EA888 engine as delineated below:

*Not every such model and model year vehicle is covered by this Settlement (i.e., a Settlement Class Vehicle). The Settlement Class Vehicles are determined by specific Vehicle Identification Numbers (VINs). You can look up whether your vehicle is a Settlement Class Vehicle by typing your vehicle's VIN, where indicated, in the VIN Lookup Portal on the Settlement website at <u>www._____.com</u>, or you can call the Settlement Claim Administrator toll-free at 1-XXX-XXX-XXXX to find out.

A "Settlement Class Member" is defined as a current or past owner or lessee of a Settlement Class Vehicle.

The Action claims that the turbochargers in certain Volkswagen vehicles were defective and potentially prone to premature failure. VWGoA denies the claims and maintains that the turbochargers in the Settlement Class Vehicles are not defective, function properly, were properly designed, manufactured, marketed and sold, and that no applicable warranties were breached nor any applicable statutes violated. The Court has not decided in favor of either party. Instead, the Action has been resolved through a Settlement, which the Court preliminarily approved, under which eligible Settlement Class Members who qualify may obtain the following benefits:

V. Warranty Extension for Current Owners or Lessees of Generation 3 Settlement Class Vehicles

Effective on _____ [the Notice Date], VWGoA will extend the New Vehicle Limited Warranties (NVLWs) of Generation 3 Settlement Class Vehicles until 8.5 years or 85,000 miles (whichever occurs first) from said vehicle's In-Service Date, to cover fifty percent (50%) of the cost of repair or replacement (parts and labor), by an authorized Volkswagen dealer, of a failed or malfunctioning turbocharger of said vehicle if the cause was that the wastegate failed due to fork head and/or link pin corrosion. However, if, as of _____ [Notice Date], a said Generation 3 Settlement Class Vehicle is more than 8.5 years of age from its In-Service Date, then this Warranty Extension's duration for that vehicle will be until _____ [60-days after Notice Date] or 85,000 miles from vehicle's the In-Service Date, whichever occurs first.

The Warranty Extension is subject to the same terms, conditions, and limitations set forth in the Settlement Class Vehicle's original NVLW and Warranty Information Booklet, and shall be fully transferable to subsequent owners to the extent that its time and mileage limitation periods have not expired.

The Warranty Extension shall not cover or apply to turbocharger/wastegate failures or malfunctions due to abuse, misuse, alteration or modification, lack of proper maintenance, a collision or crash, vandalism and/or other impact, or damage from an outside source.

VI. Reimbursement for a Certain Past Paid (and Unreimbursed) Out-of-Pocket Repair Expenses (All Settlement Class Vehicles)

If, prior to _____ [Notice Date] and within 8.5 years or 85,000 miles (whichever occurred first) from the Settlement Class Vehicle's In-Service Date, you incurred and paid for a repair or replacement of a failed or malfunctioned turbocharger in that vehicle, you may submit, to the Settlement Claim Administrator, a Claim for Reimbursement (a fully completed, dated and signed Claim Form together with all Proof of Repair Expense and other required documentation) for fifty percent (50%) of the paid invoice expense of one (1) such turbocharger repair or replacement (parts and labor), if:

(i) for a Generation 1 Settlement Class Vehicle, the past paid turbocharger repair or replacement was due to the wastegate having no longer functioned properly because of wear at the link plate and pin, and Questions? Call 1-XXX-XXXX or visit www.XXXXXXXXX.com

(ii) for a Generation 3 Settlement Class Vehicle, the past paid turbocharger repair or replacement was due to the wastegate having failed because of fork head and/or link pin corrosion.

However, if the Proof of Repair Expense documentation does not specifically state that the reason for the past paid turbocharger repair or replacement was due to II.B.(i) or (ii) above, as applicable to that vehicle, then the reimbursement for the one (1) said covered repair will be forty percent (40%) of the past paid invoice amount (parts and labor) and in addition to the Proof of Repair Expense documentation, the Settlement Class Member must also submit, with his/her/its Claim for Reimbursement, the Proof of Adherence to Maintenance Requirements documentation (explained below).

If the past paid covered repair was not performed by an authorized Volkswagen dealer, then the maximum paid invoice amount to which the applicable reimbursement percentage shall be applied shall not exceed a maximum of \$3,850. In addition, if that past paid covered repair was performed within the Settlement Class Vehicle's original NVLW time and mileage period, then the Settlement Class Member must also submit with his/her/its Claim, in addition to the other applicable proof requirements, documentation such as a written estimate or invoice, or if documents are not available after a good-faith effort to obtain them, a Declaration signed under penalty of perjury, confirming that he/she/it first attempted to have that repair performed by an authorized Volkswagen dealer, but the dealer declined or was unable to perform the repair free of charge pursuant to the NVLW.

The above relief is subject to certain limitations and proof requirements, which are set forth below and in the Settlement Agreement, which can be found on the Settlement website at <u>www.____.com</u>.

VII. <u>Required Proof for a Claim for Reimbursement:</u>

To qualify for a Claim for Reimbursement of past paid and unreimbursed out-of-pocket expenses provided under Section II above, you must comply with the following requirements:

D. In order to submit a valid Claim for Reimbursement under this Settlement, you must submit online no later than ______, or mail to the Settlement Claim Administrator by first-class mail post-marked no later than ______, a fully completed, signed and dated Claim Form, a copy of which is available at <u>www.</u>____, together with all required supporting documentation listed below.

1. An original or legible copy of a repair invoice(s) documenting the repair covered under the Settlement and containing your name; the make, model and vehicle identification number ("VIN") of the Settlement Class Vehicle; the name and address of the authorized Volkswagen dealer or non-dealer service center that performed the repair; the date of repair and Settlement Class Vehicle's mileage at the time of repair; a description of the repair work performed including the parts repaired/replaced and a breakdown of parts and labor costs of the covered repair demonstrating that the repair is, in fact, a covered repair under the Settlement; and the amount charged for the covered repair and proof of payment. If the covered repair was not performed by an authorized Volkswagen dealer, and the only proof of payment you have is a repair invoice marked "Paid," then you also must also submit a declaration from the repair facility, signed under the penalty of perjury, confirming that the payment was in fact made. Please note that if you opt to send original documents with your Claim, please make and retain copies for yourself.

2. A declaration, signed under penalty of perjury, confirming that you did not alter or modify, or have another person alter or modify, the vehicle's engine prior to the covered repair;

3. If your covered repair occurred within your Settlement Class Vehicle's New Vehicle Limited Warranty period but was not performed by an authorized Volkswagen dealer, you must also submit records showing that you first attempted to have the repair completed at an authorized Volkswagen dealer but the dealer refused or was unable to complete the repair free of charge under warranty. If such records cannot be obtained despite a good faith effort, then you may submit a declaration to that effect, signed under the penalty of perjury, and stating the good faith efforts you made to obtain the records.

4. If your supporting repair documents do not state a specific cause of the turbocharger failure or malfunction, then you must also provide documents or records evidencing your adherence to the oil maintenance aspects of the Settlement Class Vehicle's maintenance schedule set forth in the Warranty and Maintenance Booklet, during the period of time that you owned and/or leased the vehicle up to the

date/mileage of the covered repair or replacement. Your adherence to these oil maintenance requirements can be within a variance of ten percent (10%) of each required time/mileage maintenance interval. If you are unable to obtain said documents or records despite a good faith effort to obtain them, you may submit a Declaration, signed under penalty of perjury, detailing the good faith efforts that you made and why the records are unavailable, and attesting to your adherence to the above oil maintenance requirements within the ten percent (10%) variance. A form Declaration is available for you on the Settlement Website at www.XXXXXX.com, or obtained from the Claim Administrator (1-800-).

E. If you are not a person to whom the Class Notice was addressed, the Claim shall contain proof that you are a Settlement Class Member and that the vehicle is a Settlement Class Vehicle;

F. For your convenience, forms for any declarations required above are available to you at www.______ or you can request them from the Settlement Claim Administrator.

VIII. Limitations:

A. Any reimbursement under the Settlement shall be reduced by goodwill or other amount or concession paid by an authorized Volkswagen dealer, any other entity (including insurers and providers of extended warranties or service contracts), or by any other source,. If the Settlement Class Member received a free repair covered under this Agreement, or was otherwise already reimbursed the full amount for the covered repair, then he/she/it will not be entitled to any reimbursement.

B. VWGoA will not be responsible for, and shall not warrant, repair or replacement work performed at any service center or facility that is not an authorized Volkswagen dealer.

C. Reimbursement shall not apply to turbocharger/wastegate failures that were caused by abuse, misuse, alteration or modification, lack of proper maintenance, a collision or crash, vandalism and/or other impact or outside source.

2. Why is this a class action settlement?

In a class action lawsuit, one or more persons, called Plaintiffs and Class Representatives, sue on behalf of other people who have similar claims. All of these people are Class Members or Settlement Class Members. The companies they sued are called the Defendants. One court resolves the issues for all Settlement Class Members, except for those who exclude themselves from the Class.

The Court has not decided in favor of the Plaintiffs or Defendant. Instead, both sides agreed to a Settlement, which the Court preliminarily approved, with no decision or admission of who is right or wrong. That way, all parties avoid the risks and cost of a trial, and the people affected (the Settlement Class Members) will receive benefits quickly. The Class Representatives and the attorneys believe the Settlement is best for the Settlement Class.

WHO IS PART OF THE SETTLEMENT?

3. Am I in this Settlement Class?

The Court has conditionally approved the following definition of a Settlement Class Member: All persons or entities who purchased or leased a Settlement Class Vehicle in the United States of America and Puerto Rico. (The Settlement Class Vehicles are discussed in Section 1 above).

Excluded from the Settlement Class are (a) all Judges who have presided over the Action and their spouses; (b) all current employees, officers, directors, agents and representatives of Defendant, and their family members; (c) any affiliate, parent or subsidiary of Defendant and any entity in which Defendant has a controlling interest; (d) anyone acting as a used car dealer; (e) anyone who purchased a Settlement Class Vehicle for the purpose of commercial resale; (f) anyone who purchased a Settlement Class Vehicle with salvaged title and/or any insurance company that acquired a Settlement Class Vehicle as a result of a total loss; (g) any insurer of a Settlement Class Vehicle; (h) issuers of extended vehicle warranties and service contracts; (i) any Settlement Class Member who, prior to the date of this

EXCLUDING YOURSELF FROM THE SETTLEMENT

10. How do I Exclude Myself from this Settlement?

You do not have to do anything to remain in this Settlement. However, you have a right, if you so desire, to exclude yourself from the Settlement. To exclude yourself from the Settlement, you must send a letter by first-class U.S. mail post-marked no later than ______, stating clearly that you want to be excluded from this Settlement ("Request for Exclusion"). You must include in the Request for Exclusion your full name, address, telephone number, the model, model year and VIN of the Settlement Class Vehicle; a statement that you are a present or former owner or lessee of a Settlement Class Vehicle; and specifically and unambiguously state your desire to be excluded from the Settlement Class. You must mail your exclusion request, post-marked no later than ______, to each of the following:

SETTLEMENT CLAIM ADMINISTRATOR	CLASS COUNSEL	DEFENSE COUNSEL
JND Legal Administration	GARY GRAIFMAN, , ESQ. KANTROWITZ, GOLDHAMER & GRAIFMAN PC 135 CHESTNUT RIDGE ROAD, SUITE 200 MONTVALE, NJ 07645	MICHAEL B. GALLUB, ESQ. SHOOK, HARDY & BACON LLP 1 ROCKEFELLER PLAZA SUITE 2801 NEW YORK, NY 10020

You cannot exclude yourself on the phone or by email. If you have timely mailed a Request for Exclusion that contains all of the required information, and the Court grants your request for exclusion upon final approval of the Settlement, then you will be excluded from the Settlement Class. You will not receive any benefits of the Settlement, you cannot object to the Settlement, and you will not be legally bound by anything that happens in this Lawsuit.

11. If I don't exclude myself, can I sue later?

No, not for the same matters and legal claims that were or could have been asserted in the Action or any of the Released Claims in the Settlement Agreement, unless your claim is for personal injury or property damage (other than damage to the Settlement Class Vehicle itself).

12. If I exclude myself, can I get the benefits of this Settlement?

No, if you exclude yourself from the Settlement Class, you will not receive any money or benefits from this Settlement, and you should not submit a Claim Form. You cannot do both.

13. Do I have a lawyer in this case?

The Court has appointed the law firms of Kantrowitz, Goldhamer & Graifman PC, and Thomas P. Sobran PC as "Class Counsel" to represent the Settlement Class Members.

14. Should I get my own lawyer?

You do not need to hire your own lawyer to participate in the Settlement because Class Counsel will be representing you and the Settlement Class. But, if you want your own lawyer, you may hire one at your own cost.

15. How will the lawyers be paid, and will the Plaintiff Settlement Class Representative receive a service award?

Class Counsel have prosecuted this case on a contingency basis. They have not received any fees or reimbursement for costs and expenses associated with this case. Class Counsel will file an application with the Court requesting an award of reasonable attorney fees and reasonable costs and expenses ("Fees and Expenses") in a combined total sum not \$______ for Class Counsel. VWGoA has agreed not to oppose Class Counsel's application for Fees and Expenses to the extent not exceeding that combined total sum, and Class Counsel have agreed not to accept any Fees and Expenses in excess of that combined total sum.

Class Counsel will also apply to the Court for a service award in the amount of \$_____ for Plaintiff-Settlement Class Representative Julie Kimball for her efforts in pursuing this litigation for the benefit of the Settlement Class.

Any award for Class Counsel Fees and Expenses, and any service award to Settlement Class Representative, will be paid separately by Defendant and will not reduce any benefits that may be available to you or the rest of the Settlement Class under the Settlement. You won't have to pay these Fees and Expenses.

Class Counsel's motion for fees and expenses and the Settlement Class Representative service award will be filed by _____, and a copy will be made available for review at www._____.com.

SUPPORTING OR OBJECTING TO THE SETTLEMENT

16. How do I tell the Court that I like or dislike the Settlement?

If you are a member of the Settlement Class and do not request to be excluded, you can tell the Court you like the Settlement and it should be approved, or you can ask the Court to deny approval by filing a written objection. You can object to the Settlement and/or to Class Counsel's requests for Fees and Expenses and Settlement Class Representative service award. You cannot ask the Court to order a different settlement; the Court can only approve or reject the proposed Settlement. If the Court denies approval of the Settlement, no settlement payments will be sent out and the Lawsuit will continue. If that is what you want to happen, you must object on a timely basis. You are not required to submit anything to the Court unless you are objecting or wish to be excluded from the Settlement.

To object to or comment on the Settlement, you must do either of the following:

- iv. File your written objection or comment, and any supporting papers or materials, on the Court's docket for this case, *Kimball v. Volkswagen Group of America, Inc., et al.,* United States District Court for the District of New Jersey, Civil Action No. 2:22-cv-04163-JKS-MAH, via its electronic filing system, no later than , or

number; (ii) the model, model year and VIN of your Settlement Class Vehicle; (iii) proof that you own(ed) or lease(d) the Settlement Class Vehicle (i.e., a true copy of a vehicle title, registration or license receipt); (iv) a written statement of all your factual and legal grounds for objecting; (v) copies of any papers, briefs and/or other documents upon which the objection is based and which are pertinent to the objection; (vi) the name, address, and telephone number of any counsel representing you; and (vii) a detailed list of any other objections submitted by you and/or any counsel representing you to any class action settlements in any court in the United States in the previous five (5) years, including the full case name with jurisdiction in which it was filed and the docket number, or affirmatively state, in your objection, that you and/or your counsel have not objected to any other class action settlement in the United States in the previous five (5) years.

Subject to the approval of the Court, any Settlement Class Member may appear, in person or by counsel, at the Final Fairness Hearing. In order to appear, the Settlement Class Member must, by the objection deadline of ______, file with the Clerk of the Court and serve upon all counsel designated in the Class Notice (see above), a Notice of Intention to Appear at the Fairness Hearing. The Notice of Intention to Appear must include copies of any papers, exhibits or other evidence and identity of witnesses that the Settlement Class Member (or his/her counsel) intends to present to the Court in connection with the Fairness Hearing.

Any Settlement Class Member who does not submit a written objection to the proposed Settlement, or Class Counsel's application for Fees and Expenses and/or the Class Representative service award, within the above deadline and in full compliance with the above requirements and procedure for a valid objection shall waive his/her/its right to do so, and to appeal from any order or judgment of the Court concerning the Settlement, Fees and Expenses and/or service award.

Any Settlement Class Member who does not provide a Notice of Intention to Appear in accordance with the deadline and other requirements set forth in this Class Notice shall be deemed to have waived any right to appear, in person or by counsel, at the Final Fairness Hearing.

17. What is the difference between objecting and excluding myself?

Objecting is simply telling the Court that you do not like something about the Settlement. You can object only if you stay in the Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class and the Settlement. If you exclude yourself, you have no basis to object because the case no longer affects you.

FINAL FAIRNESS HEARING

18. When and where will the Court decide whether to approve the Settlement?

Excluded from the Settlement Class are: (a) all Judges who have presided over the Action and their spouses; (b) all current employees, officers, directors, agents and representatives of Defendant, and their family members; (c) any affiliate, parent or subsidiary of Defendant and any entity in which Defendant has a controlling interest; (d) anyone acting as a used car dealer; (e) anyone who purchased a Settlement Class Vehicle for the purpose of commercial resale; (f) anyone who purchased a Settlement Class Vehicle with salvaged title and/or any insurance company that acquired a Settlement Class Vehicle as a result of a total loss; (g) any insurer of a Settlement Class Vehicle; (h) issuers of extended vehicle warranties and service contracts; (i) any Settlement Class Member who, prior to the date of this Agreement, settled with and released Defendant or any Released Parties from any Released Claims, and (j) any Settlement Class Member who files a timely and proper Request for Exclusion from the Settlement Class.

4. The Court preliminarily appoints Plaintiff Julie Kimball as the Settlement Class Representative.

5. The Court preliminarily appoints the law firms of Kantrowitz, Goldhamer & Graifman, P.C. and Thomas P. Sobran, P.C., collectively, as Class Counsel for the Settlement Class ("Settlement Class Counsel").

6. The Court preliminarily appoints JND Legal Administration as the Settlement Claim Administrator ("Claim Administrator").

7. The Court preliminarily finds, solely for purposes of the Settlement, that the Rule 23 criteria for certification of the Settlement Class exists in that: (a) the Settlement Class is so numerous that joinder of all Settlement Class Members in the Action is impracticable; (b) there are questions of law and fact common to the Settlement Class that predominate over individual questions; (c) the claims of the Settlement Class Representative are typical of the claims of the Settlement Class Representative and Settlement Class Counsel have and will continue to fairly and adequately represent and protect the interests of the Settlement Class; and (e) a class action is superior to all other available methods for the fair and efficient adjudication of the controversy.

8. In addition, the Court preliminarily finds that certification of the Settlement Class is appropriate, especially when balanced against the risks and delays of further litigation, and that

the proceedings that occurred before the Parties entered into the Settlement Agreement afforded counsel the opportunity to adequately assess the claims and defenses in the Action, the relative positions, strengths, weaknesses, risks, and benefits to each Party, and as such, to negotiate a Settlement Agreement that is fair, reasonable, and adequate, and reflects those considerations.

9. The Court also preliminarily finds that the Settlement Agreement has been reached as a result of intensive arm's-length negotiations of disputed claims and that the proposed Settlement is not the result of any collusion.

10. The Court approves, and directs the implementation of, the parties' Notice Plan for dissemination of the Class Notice pursuant to the terms of the Settlement Agreement (the "Notice Plan"). The Court approves the form and content of the postcard Settlement Class Notice, the long form Class Notice, and the Claim Form (Exhibits 1, 2 and 3 to the Settlement Agreement). The Court finds that the Notice Plan, consisting of mailing of the postcard Settlement Class Notice in the manner set forth in the Settlement Agreement, as well as the establishment of a settlement website that, inter alia, will contain the long form Class Notice, satisfies Rule 23, due process, and constitutes the best notice practicable under the circumstances. The Notice Plan is reasonably calculated to apprise the Settlement Class of the pendency of the Action; the certification of the Settlement Class for settlement purposes only; the terms of the Settlement, its benefits and the Release of Claims; the Settlement Class Members' rights including the right to, and the deadlines and procedures for, requesting exclusion from the Settlement or objecting to the Settlement and/or Settlement Class Counsel's application for Fees and Expenses and Settlement Class representative service award; the deadline, procedures and requirements for submitting a Claim for Reimbursement pursuant to the Settlement terms; the time and place of, and right to appear at, the Final Fairness hearing; and other pertinent information about the Settlement and the Settlement Class Members' rights.

11. The Court further authorizes the Parties to make non-material modifications to the Settlement Class Notices and Claim Form prior to the Notice Date if they jointly agree that any such changes are appropriate.

6

12. The Claim Administrator is directed to perform all settlement administration duties set forth in, and pursuant to the terms and time periods of, the Settlement Agreement, including mailing of the CAFA Notice, implementing and maintaining the Settlement Website, implementing the Notice Plan, the processing, review and determination of timely submitted and proper Claims for Reimbursement under the Settlement terms, and the submission of any declarations and other materials to Settlement Class Counsel and the Court, as well as any other duties required under the Settlement Agreement.

13. The Departments of Motor Vehicles within the United States and its territories are ordered to provide approval to S&P Global, or any other company so retained by the parties and/or the Claim Administrator, to release the names and addresses of Settlement Class Members in the Action associated with the titles of the Vehicle Identification Numbers at issue in the Action for the purposes of disseminating the Settlement Class Notice to the Settlement Class Members. S&P Global, or any other company so retained, is ordered to license, pursuant to agreement between Defendant and S&P Global or such other company, and/or the Claim Administrator and S&P Global or such other class Members' contact information to the Claim Administrator and/or Defendant solely for the use of providing Settlement Class Notice in the Action and for no other purpose.

14. Any Settlement Class Member who wishes to be excluded from the Settlement Class must mail, by first-class mail postmarked no later than thirty (30) days after the Notice Date, a written request for exclusion ("Request for Exclusion") to each of the following: (a) the Claim Administrator at the address specified in the Class Notice; (b) Gary S. Graifman, Esq., Kantrowitz, Goldhamer & Graifman PC, 135 Chestnut Ridge Road, Suite 200, Montvale, NJ 07645 on behalf of Settlement Class Counsel; and (c) Michael B. Gallub, Esq., Shook, Hardy & Bacon L.L.P., 1 Rockefeller Plaza, Suite 2801, New York, NY 10020 on behalf of Defendant. To be effective, the Request for Exclusion must be timely and must:

15. Any Settlement Class Member who fails to submit a timely and complete Request for Exclusion containing all of the above required information, and mailed to the proper addresses, shall remain in the Settlement Class and shall be subject to and bound by all determinations, orders and judgments in the Action concerning the Settlement, including but not limited to the Released Claims set forth in the Settlement Agreement.

16. Any Settlement Class Member who has not submitted a Request for Exclusion may object to the fairness of the Settlement Agreement and/or the requested amount of Settlement Class Counsel Fees and Expenses and/or Settlement Class Representative service award.

- a. To object, a Settlement Class Member must either: (i) file the objection, together with any supporting briefs and/or documents, with the Court in person or via the Court's electronic filing system within thirty (30) days of the Notice Date; or (ii) mail, via first-class mail postmarked within thirty (30) days of the Notice Date, the objection, together with any supporting briefs and/or documents, to each of the following: (a) the Clerk's Office of the United States District Court, District of New Jersey, Martin Luther King Jr. Federal Building and United States Courthouse, 50 Walnut Street, Newark, New Jersey 07102; (b) Gary S. - b. Any objecting Settlement Class Member must include the following with his/her/their/its objection: (i) the objector's full name, address, and telephone number; (ii) the model, model year and Vehicle Identification Number of the

If the Settlement Class Member or his/her/its counsel has not objected to any other class action settlement in the United States in the previous five (5) years, he/she/they/it shall affirmatively so state in the objection.

17. Subject to the approval of the Court, any Settlement Class Member may appear, in person or by counsel, at the Final Fairness Hearing to explain why the proposed Settlement should be approved, or to speak regarding any objection that he/she/it had properly and timely filed with the Court.
